FOUNDATION

ABOUT THE AHJF EMERGENCY RELIEF FUND

The AHJF Emergency Relief Fund is perhaps the most important program of the American Hunter-Jumper Foundation. This program is in place to assist those in the sport in a time of financial crisis. We are very proud to have alleviated the financial stress associated with illness or times of other personal hardship. The fund has been in existence for 14 years. During this time, the AHJF Emergency Relief Fund has assisted many equestrians and has distributed close to \$395,000. The funding of this program comes from private donors, WCHR member event shows and benefit events.

The American Hunter-Jumper Foundation Inc. is a 501c3 non-profit corporation. A portion of your donation is tax deductible with the balance covering the fair market value of your benefit.
